PISCINE PRIVATE

2

esempio di bio-lago: la percezione è di un ambiente naturale che non altera l'immagine della collina e diventa un punto centrale di culto del benessere di interesse comune

2

villaggio turistico: sviluppato su terrazzamenti che seguono la naturale pendenza del declivio crea un anfiteatro con vista lago; nel punto centrale un blocco di servizi comuni quali ristorante, solarium e zona benessere mentre ai piedi della collina il blocco di appartamenti ospita al piano interrato i garage per tutte le unità abitative.
